1 in 3 of our patients is cared for thanks to gifts in Wills.

The COVID-19 pandemic has reminded many of us of the need to look after the special people and causes we care about. This Will Writing Month, we invite you to take action to make sure your loved ones are cared for in times to come.

Thinking about what happens after you're gone isn't easy. But getting your Will professionally written offers peace of mind for you and your loved ones. It means the people and causes you care about will be properly looked after.

This Martlets Will Writing Month, 12 local Will writers are offering their expertise in return for a donation to Martlets. It's easy to organise and your donation will help us provide life-changing care to local people affected by terminal illness.

- You'll be asked for a donation of £150 for a single Will or £200 for joint Wills. Your donation will be made direct to Martlets.
- Each Will writer will have their own procedures for writing Wills during the COVID-19 pandemic to ensure safety and socially distancing. Their service to you might include a combination of telephone, postal, virtual and face to face appointments.
- When you write your Will, we understand that you'll want to make provision for your loved ones first. But we hope you might also consider including a gift in your Will to Martlets as we rely on gifts in Wills for a third of our funding.
- For further information, or for a free copy of our Gifts in Wills booklet, visit martlets.org.uk/give-in-your-will or contact our Gifts in Wills Manager; Gary Moyle t: 01273 021534 e: gary.moyle@martlets.org.uk.

Thank you for your support.

Registered Charity No. 802145

"I'm willing to make a gift to Martlets in my Will."

Martlets' Will Writing Month May 2021

Write your Will for the people and causes you love in return for a donation to Martlets

Martlets
life-changing hospice care

I'm willing...

to make a gift to Martlets in my Will in memory of the care given to my husband. Will Writing Month is the perfect opportunity to make sure your Will is in order and done properly. I'm so glad I did it."

— Annie

We're willing...

to make a gift to Martlets in our Wills as we don't have children and we want to do something to look after the local community. And to give back to Martlets for supporting my mum who died from cancer last year. Me and Kev had been married two years and had just bought a house together so it seemed like a sensible time to write a Will. It was so easy to do during Will Writing Month."

— Christy and Kevin

We're willing...

to give gifts to Martlets in our Wills because we want to make a difference to a worthwhile local cause. None of us know how long we've got, so even if you're younger it's worth making a Will when there's any big life change. You can always alter it later."

— Jacky and Dominic
