

write your **Will**  
and help keep  
Martlets caring?

Martlets has been at the heart of the community for 25 years. Help us build a sustainable future as we continue to offer compassionate, life-changing care for many years to come.

### **Martlets' Will Writing Month 2022**

Write your Will for the people and causes you love in return for a donation to Martlets.

# Five good reasons to leave a gift in your Will to Martlets

1. Legacy gifts fund 1 in 3 of our nurses.
2. You'll be helping families affected by terminal illness to live life to the full.
3. Martlets could be there for you and your loved ones should you ever face terminal illness.
4. Your gift will be a testament to you, your vision, and your generosity.
5. Your gift will be tax free and could reduce your inheritance tax.

“

*I've made a gift in my Will in memory of the care given to my husband. Will Writing Month is the perfect opportunity to make sure your Will is in order and done properly. I'm so glad I did it.”*

— Annie

“

*We're happy to make a gift to Martlets in our Wills as we don't have children and we want to do something to look after the local community. And to give back to Martlets for supporting my mum who died from cancer.*

*Me and Kev had been married two years and had just bought a house together so it seemed like a sensible time to write a Will. It was so easy to do during Will Writing Month.”*

— Christy and Kevin

Making an appointment is simple. Just choose one of the Will writers and contact them directly during the booking period.

This year Martlets is celebrating 25 years of life-changing hospice care in Brighton and Hove and the surrounding areas. We opened our doors in 1997 and have always relied on gifts in Wills to keep Martlets caring. One in three of our patients is cared for thanks to legacy giving, and we will continue to rely on this source of income as we look to the future.

This Will Writing Month, will you take action to make sure your loved ones are cared for in times to come? Thinking about what happens after you're gone isn't easy. But getting your Will professionally written offers peace of mind for you and your loved ones. This Martlets Will Writing Month, 10 local Will writers are offering their expertise in return for a donation to Martlets. It's easy to organise and your donation will help us ensure that local people affected by terminal illness receive life-changing care for many years to come.

You'll be asked for a donation of £150 for a single Will or £200 for joint Wills. Your donation will be made directly to Martlets.

Each Will writer will have their own procedures for writing Wills. Their service to you might include a combination of telephone, postal, virtual and face-to-face appointments.

When you write your Will, we understand that you'll want to make provision for your loved

ones first. But we hope you might also consider including a gift in your Will to Martlets as we build on the past 25 years and plan an efficient and sustainable future.
