

WILL YOU

write your
Will and help
keep Martlets
caring?

"I'm willing to make a gift to Martlets in my Will in memory of the care given to my husband. Will Writing Month is the perfect opportunity to make sure your Will is in order and done properly. I'm so glad I did it."

Martlets has been at the heart of the community for over 25 years. Help us build a sustainable future as we continue to offer compassionate, life-changing care for many years to come from our new Hospice in Hove.

Martlets Will Writing Month, **May 2024**

Write your Will for the people and causes you love in return for a donation to Martlets.

Martlets
life-changing hospice care

Leaving your legacy

Since we opened our doors at Martlets in 1997, our community has raised an incredible £12m in funding through gifts in Wills. Each year, one in three of our patients is cared for thanks to people leaving a legacy gift to Martlets in their Will.

This Will Writing Month, will you take action to make sure your loved ones are cared for in times to come? Thinking about what happens after you're gone isn't easy. But getting your Will professionally written offers peace of mind for you and your loved ones.

How Will Writing Month works

This year, eight local Will writers are offering their expertise in return for a donation of £150 for a single Will and £250 for joint Wills to Martlets.

It's easy to organise and your donation will help us ensure that local people affected by terminal illness receive life-changing care.

Our solicitors will guide you through the process, giving

advice on the things you may wish to include and asking you to think about who you want to remember. Once they've confirmed your wishes, they'll provide you with a professionally written Will.

Each solicitor will have their own procedures for writing Wills. Their service to you might include a combination of telephone, postal, virtual and face-to-face appointments.

To make your payment, you can either take a cheque along with you to your appointment or pay over the phone by calling **Martlets' fundraising team on 01273 747455.**

When you write your Will, we understand that you'll want to make provision for your loved ones first. But we hope you might also consider including a gift in your Will to Martlets to help us keep on caring for many years to come.

GOOD REASONS TO LEAVE A GIFT IN YOUR WILL TO MARTLETS

- 1 | Legacy gifts fund 1 in 3 of our nurses.
- 2 | You'll be helping families affected by terminal illness to live life to the full.
- 3 | Martlets could be there for you and your loved ones should you ever face terminal illness.
- 4 | Your gift will be a testament to you, your vision, and your generosity.
- 5 | Your gift will be tax free and could reduce your inheritance tax.

"I feel very proud to be able to leave something in my Will to Martlets and it was so easy to do during Will Writing Month. I care about my community and would like my gift to be used to make someone's life easier, just as they helped my son and us as a family. The hospice provides care that you just wouldn't find anywhere else. They care with such dignity and respect."

Paula

"We're happy to make a gift to Martlets in our Wills as we don't have children and we want to do something to look after the local community. And to give back to Martlets for supporting my mum who died from cancer. Me and Kev had been married two years and had just bought a house together so it seemed like a sensible time to write a Will. It was so easy to do during Will Writing Month."

Christy and Kevin

"We're giving gifts to Martlets in our Wills because we want to make a difference to a worthwhile local cause. None of us know how long we've got, so even if you're younger it's worth making a Will when there's any big life change. You can always alter it later."

Jacky and Dominic
